

Lorraine Lewis received her B. S. degree in Speech Communications from the University of Alabama, and her M.Ed. degree in Counseling from Auburn University at Montgomery. She has over 30 years of experience working with adults with physical and mental disabilities. Her passion for helping people was passed down from her mother. She had a heart to help people anyway she could. It gives Lorraine much joy to know that she helped someone; for one of life's greatest fulfillments is to help people with disabilities to achieve their maximum potential.
