Olivia Cole Dickey is the perfect combination of tenderness and strength. Olivia has the ability to bring out the strengths in others. Originally, Olivia joined Triumph's Team to serve as an Intern. We quickly recognized her gifts and talents and immediately offered Olivia a position on the Employment Team. Olivia grew up in Orlando, Florida, where she developed a heart for the "underdog" at an early age. Olivia was known to seek out those who were ignored or forgotten, offering kindness and acceptance. Following these early years, Olivia attended Samford University, where she was a leader on the Division 1 Soccer Team. Olivia won't rest until individuals with developmental disabilities are not just included, but embraced by the community.
