The best way to describe Sarah Keith is to describe the way she secured a job at Triumph. Sarah emailed every employee she could find on Triumph's website, convincing us that she CAN and WILL make a difference in our programs. Sarah did not disappoint. Whether it was as an Employment Specialist, a Transition Teacher, or a Leader, Sarah brings passion, energy, expertise, and understanding to every program she touches. Sarah has an uncanny ability to see through the eyes of the individuals and family members she serves. This level of empathy gives Sarah immediate rapport and allows her to have great influence on each person's life.
